Longevity Risk and
Potential Solutions for
Local Government Pension Funds
London 29th June 2009

Organised by the
Local Government Pensions Committee Secretariat
in association with Hoare Capital Markets LLP

The Seminar

The Local Government Employers' Longevity Seminar will take place on the 29th June 2009. There will be several expert speakers covering specialist topics relevant to longevity risk within pension funds, and the Local Government Pension Scheme (LGPS) in particular.

The seminar will be held at Layden House 76/86 Turnmill Street, Farringdon, London, EC1M 5LG. Its aim is to raise awareness of the longevity risks that Local Government Pension Funds face and discuss the options that are available to manage these risks.

The Audience

The seminar is aimed at "risk managers" within the LGPS, and is therefore of interest to elected members, officers and other people who attend/advise pension committees.
